### Brigham Young University–Hawaii **FIELDTRIP REGISTRATION FORM**

The safety and well-being of our students, faculty and staff are a high priority at BYUH. Although BYUH strives to provide a safe environment for its students and University personnel, maintaining safety and security must be a shared responsibility. No matter how effective BYUH's programs may be, the primary responsibility for safety and security lies with each of us individually. Conducting oneself in a prudent and safe manner is everyone's individual responsibility.

If you plan to participate in the University sponsored activity outlined below, please take the time to review this document carefully. Make yourself aware of the risks and possible hazards and act accordingly. Ask your instructor or advisor pertinent questions, and then sign this form before you participate in the activity. In addition, by signing this form, students agree to show a copy of it to all of their other teachers at least one week in advance of the field trip and to work with those teachers for the days/work missed
