

BYUH Graduating Student Survey

1. INVITATION

ALOHA! As a graduating student we deeply value your opinions and suggestions. Your feedback is crucial to us as we strive to continually improve the BYU-Hawaii experience for students.

There are TWO PARTS to complete this survey:

1. An anonymous evaluation of your BYUH experience.
2. An update of your University records (address, phone, email, etc.)

These two parts are completely separate and confidential. Your answers to the survey questions are not in anyway linked to your name or other personal information as you update the University's records.

IMPORTANT NOTE: By completing the survey questions in part one, you agree to allow your responses to be shared (as grouped responses only) for research purposes of the University and to help improve the educational experiences at BYU-Hawaii. Your participation is voluntary, and your refusal to participate will involve no penalty or loss of benefits to which you are otherwise entitled.

If you have any questions about this survey, please contact Bill Neal at 808-293-3457 (email: nealw@byuh.edu) or Paul Freebairn at 808-293-3536 (email: freebaip@byuh.edu).

Thank you for your support and willingness to assist us in this effort. May Heavenly Father's choicest blessings be with you.

NOTE 1: Questions marked with an asterisk (*) are required to be answered before you can proceed to the next section.

NOTE 2: "N/A" in the rating scale means "Not Applicable." Also, please choose this rating if you did not participate in a particular activity or service mentioned in the survey.
